Code Review Feedback
Review group CS7

Category	Description	Reviewers Comment	Action taken by reviewed group
Build	Could you clone from Git and build using the README file?	I could clone the repo, but I couldn't run the project. The README file was easy to follow.	N/A (Not here -he to run the project is likely due to it requiring Ardwer)
Legibility	Was the flow sane and were variable names and methods easy to follow? Does the code adhere to general guidelines and codestyle?	The flow of the application was easy to follow, and variables and methods are easy to follow too, the comments in the code is easy to understand and very helpful.	N/A
ImplementaDon	is it shorter/easier/faster/cleaner/ safer to write funcDonally equivalent code? Do you see useful abstracDons?	I don't think there is any.	N/A
Maintain ability	Are there unit tests? Should there be? Are the test covering interesDng cases? Are they readable?	I don't see any unit test.	N/A ?
Require ments	Does the code fulfill the requirements?	Yes, the code fulfills the requirements	N/A
Other	Are there other things that stand out that can beimproved?	Overall everything looks good for me.	N/A
